Mentions from the Librarian

It's starting to look like spring. It might take a little bit before flowers start blooming but here at the library, it is spring in full swing.

We have new and restarted clubs like the Norridgewock Book Club, which meets the fourth Thursday at 5 pm, and the Palmer Lego Club, which meets the third Tuesday at 3 pm.

The library has added more speakers including the recent presentation about beekeeping and Before You Mow...Know, a presentation by local herbalist Dominique Rollins of Seeded Soul about using items in your own yard for health and wellness purposes.

Get ready for some reading challenges as well. Next month we will celebrate Smokey the Bear's 80th birthday with a fire/nature reading challenge. And be on the lookout for our Summer Reading Program. This year will include children and adults.

As always, there are a dozen new titles added to the library every month as well as donated books. Check us out. We are open Tuesdays and Thursdays 10 am to 6 pm and Wednesdays and Saturdays 10 am to 2 pm.

Your opinion matters

Don't forget to check out the library's Facebook page. Along with pictures from events and library happenings, we are posting polls from time to time to find out what books you are interested in.

Interlibrary Loan

Don't forget. If there is a particular book that we do not have, we can usually find it through the Maine Interlibrary Loan program. It's easy. Check-out and Check-in happens here in Norridgewock and we will request the item from another library for you.
